Regis Middle School Tuition Assistance Appeal Form

Regis Middle School strives to make a Catholic School education available to all students who desire it. Therefore, in addition to assistance from other sources, Regis Middle School provides some local tuition assistance awards to families who demonstrate financial need.

We believe that Catholic education is a tremendous gift to give to your children, and its rewards are many. It is expected that families make Catholic education a priority in their financial planning to provide this opportunity. Nonetheless, it can create financial struggles for families.

If you feel your local tuition assistance award is inadequate to allow you to afford to attend Regis Middle School for the 2022-2023 school year, please complete the following confidential form and submit it to the Business Office by June 17, 2022. The request will be reviewed by the Finance Committee. You will be notified of the Committee's decision by July 25. Your tuition contract will not be due until one week after you have received notification of the Committee's decision. Please note there is no appeal of the STO award level.
